Public Participation at SCCAL Board Meetings

The governing board of South Carolina Calvert Academy believes in the fundamental reasons for following the spirit and letter of the state's open meeting laws. In the past, the governing board encouraged public participation at our meetings by attending in person at the school office in Columbia. This practice was an attempt to keep the conference call costs down and prevent the din of background noise that already was a challenge during meetings. The board has adopted a new system overcoming those challenges, so we now can invite more callers to listen in to our meetings by telephone. The phone number is posted with the agenda each month online and at the Columbia office.

Callers who intend to make a statement during the Public Comment portion of the meeting should notify the board at least 24 hours in advance at board@sccalvertacademy.com so that the moderator can activate that caller's phone line at the appropriate time.
